

Fundraising for Team Forces

Some of our grant recipients choose to take on extraordinary challenges to raise money for causes they care about — if you're planning something similar, why not consider supporting Team Forces as part of your fundraising?

Every adventure begins with a challenge. Whether you're climbing mountains, running marathons, skydiving from incredible heights, or taking on a personal goal, your efforts can go even further by fundraising for Team Forces. By supporting Team Forces, you'll be helping us continue our work providing life-changing opportunities through sport, challenge, and adventure for the Armed Forces Community. Every mile, step, and leap you take has the power to make a lasting impact.

Ready to turn your challenge into something extraordinary?

Set up your fundraising page today on GiveWheel or GiveStar to ensure your efforts directly support Team Forces.

Setting up your fundraising page

To ensure your fundraising page is correctly set up and that all donations go directly to your chosen charities, please follow the simple steps outlined below.

Both GiveWheel and GiveStar make it easy to connect your fundraising efforts to Team Forces. If you'd like to support additional charities, these platforms allow you to do so seamlessly. Donations will be automatically split and distributed according to your selected preferences.
